

**REPLAY @ THE SOUTHBANK CENTRE**

## **INSTALLATION MAINTENANCE ROLE**

### **THE ROLE**

The Herd are looking for individuals with experience in making and fabricating to work on a part time freelance basis maintaining our play exhibition, REPLAY, at The Southbank Centre. REPLAY is an installation and experience for children aged 0-11 years and their families, made entirely out of reclaimed and recycled materials. Part adventure playground, part installation, REPLAY encourages children and grown ups to play side by side - building, making, imagining, dressing up, creating, designing, inventing and much more. REPLAY advocates the benefits of play and explores a sustainable approach to play.

REPLAY runs at the Southbank Centre from 22nd January - 6th June 2025.

The Installation Maintenance Role will visit the site 3 or 4 times a week on selected weeks, checking that all elements of the installation are in order and making any necessary repairs where possible.

We are looking for resourceful individuals with creative, positive, open outlooks who have an interest in sustainable practice. We're interested in talking to people with experience in general making and/or people with specific skills in working with a range of materials. You might have your own artistic practice, experience or training in theatre design, prop making, sculpture, textiles, carpentry, painting, or something completely different!

## **DATES AND TIMES**

Each working week you will visit the installation 3 or 4 times before 10:30am or after 5pm (outside of installation opening times) for an hour for each visit.

## **ABOUT THE HERD**

The Herd brings children, young people and families together in playful spaces to share exceptional experiences. We play alongside children to create shows, installations and experiences that celebrate, interrogate and nurture the joy of childhood. We believe in the transformational power of family arts and create experiences that children and adults can share together. We recognise that some children and families face barriers to accessing the arts and we proactively explore ways of removing these barriers.

The Herd are associates at Back To Ours, Hull Libraries and Freedom Festival. We have previously delivered projects with Royal Exchange Manchester, National Theatre, Hull Truck Theatre, Northern Stage, Freedom Festival and many more.
